Ideation Phase
Define the Problem Statements

Date	5 March 2026
Team ID	
Project Name	SB Stocks – Stock Trading Simulation Platform
Maximum Marks	4 Marks

PROBLEM STATEMENT (PS)	I AM (CUSTOMER)	I'M TRYING TO	BUT	BECAUSE	WHICH MAKES ME FEEL
PS-1	I am a new stock market investor	Find reliable stock information and track market trends	I don't know which stocks are safe or profitable	There are many confusing platforms and scattered information	Uncertain and hesitant to invest
PS-2	I am an active trader	Monitor stock prices and make quick buy/sell decisions	I don't always receive real-time updates or alerts	Many apps delay stock data or lack proper notifications	Frustrated and worried about missing opportunities
PS-3	I am an investor managing multiple stocks	Track my portfolio performance and profits	It is difficult to view all investments in one place	Many systems do not provide a clear portfolio dashboard	Confused about my financial progress
PS-4	I am a busy professional interested in investing	Quickly check stock trends and manage investments	Existing platforms are complicated and time-consuming	They have complex interfaces and too many technical details	Overwhelmed and discouraged from using them
